Add Patient

# Nurse List Page

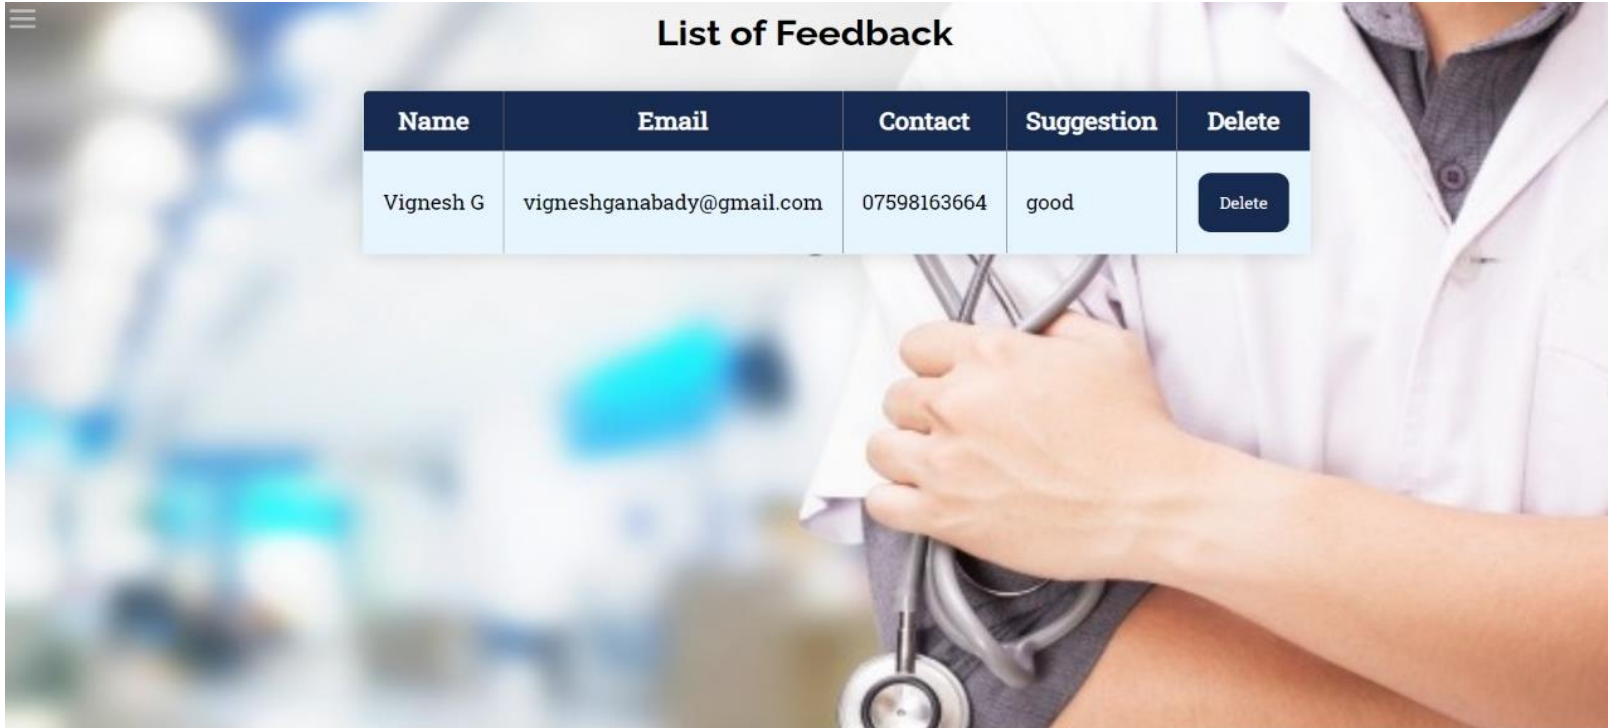

The screenshot shows a web application interface with a title bar and a table of patient data. The title bar has a hamburger menu icon on the left and the text 'List of Available Patient in Hospital' in the center. The table has 8 columns: Name, Email, Phone, Sex, D.O.B, B gp., Edit, and Delete. There are 5 rows of patient data. Each row has a dark blue 'Edit' button and a dark blue 'Delete' button. At the bottom of the screen, there is a dark blue button labeled 'Add Patient'.

# Update Profile Page

The image shows a 'Update Profile' form overlay on a blurred background of a hospital corridor. The form is a light blue rectangle with rounded corners. It contains five text input fields stacked vertically, each with a light gray border and a light gray background. The inputs contain the text 'pat1', 'chennai', 'male', '21', and 'AB' from top to bottom. Below the inputs is a dark blue button with the word 'UPDATE' in white capital letters. The background is a blurred photograph of a hospital interior with blue chairs, white walls, and a reception desk.

# Search Patient Page

Email Id

**SEARCH**

The image shows a user interface for searching a patient, overlaid on a blurred background of a hospital waiting area. The interface consists of a light blue rectangular box. Inside the box, the text "Email Id" is centered above a white text input field. The input field contains the placeholder text "Enter Email Id". Below the input field is a dark blue button with the word "SEARCH" in white, uppercase letters.
